## [Nayef Al-Rodhan](#)

### Profile

Prof. Nayef Al-Rodhan, is a Neuroscientist, Philosopher and Geostrategist. His main research interest is " Analytic Neurophilosophy, International Relations and Policy". He is an Honorary Fellow at St Antony's College, University of Oxford, and Senior Fellow and Head of the Geopolitics and Global Futures Programme at the Geneva Centre for Security Policy, Geneva, Switzerland. He was educated at the Mayo Clinic, Yale University and Harvard university. Through many books and articles, he has made many innovative conceptual contributions to the application of the field of neurophilosophy to human nature, history, contemporary geopolitics, governance, international relations, cultural and future studies, disruptive technologies, and war and peace. His books and articles can be found in his website: [www.sustainablehistory.com](http://www.sustainablehistory.com)
